Property	Typical Result
Colour	Clear Pale Red
Density	1.01±0.01
pH	10.5±0.5
Indicative data only, not intended for preparation of specifications	

Directions for Use

- Spray onto the area to be cleaned
- Rinse off while still wet with fresh water and/or wipe with a damp microfibre cloth
- For heavy oil or tough soil deposits, allow longer contact time and agitate with a detailing brush before rinsing and /or wiping
- For porous surfaces, test suitability in an inconspicuous area before use.

Storage

- Store in a cool, dry, well-ventilated place and out of direct sunlight.
- Store away from foodstuffs.

Limitations

May not remove soils/grease that have penetrated into pores.

Safety Directions:

- Keep out of reach of children
- Avoid eye contact and prolonged skin contact
- Not suitable for cleaning skin
- If any skin irritation occurs, discontinue use immediately
- Remove and wash clothing stained with Selleys RP7 Heavy Duty Degreaser immediately.

*Non-damaging to substrate being cleaned

#Non-staining to recommended substrates.
